Hon. Secy of War

Dear Sir

When I came into this State under orders to rejoin my Command (which was here when I started) I found that General Morgan had returned to Georgia. and believing it to be my duty to employ myself to the best advantage for the good of my country I took the responsibility to remain here. where I found a large number of my old Regt (the 10th Ky Cav) who had been captured and placed under heavy bonds. They were willing to fight but anxious to be forced into service. I assumed the responsibility of selecting a department and enforcing the Conscription Law. In all these things I have been actuated but by one motive, the advancement of our Cause and am anxious to have your approval of my acts and hope to receive it. When I have informed you of the present result and future expectations of my proceedings arriving in Ky Aug 28th. I commenced active hostilities and energetic recruiting up to to-day I have recruited 1000 armed and equipped 1870 men - organized as follows. 1st Morgan's Regt with Capt S P Cunningham former L. & C. of Morgan's Comd as Lt Col. numbers 387 men and will number atleast 750 in this is received. Capt Sept's Regiment numbers 633 men with Lt R B Doorn as Lt Col. and 320 of my old Regt under Lt Col. Napier of the 8th Ky Cavalry with 930 men under an Officer that I have given authority to recruit a Regiment. This recruiting has no parallel in the history of the War and I am satisfied that by the 10th of Sept I will have 2000 effective Cavalry operating against the transportation by both river and rail to Sherman's Army. We have killed 28 feds wounded 53 and captured 147. We have captured & secured 28000 lbs

of Bacon 37,000 bushels of Corn 18,000 bu of Oats 8300 Hat-
Cattle 43 boxes of Army Clothing and seven Transports with
supplies for the Yankee Army. have at present the Ohio river
blockaded from Henderson Ky to Grand City Mo. and hold
an undisputed possession of eight (8) Counties in Southern Ky-
By obtaining immediate orders from the Adjutant & Quartermaster
and operate on the Ohio River & the Louisville & Chattanooga
lines of rail road. I am satisfied that I can destroy
Sherman's Communications relieve my Department of
Federal and arm and equip an effective Cavalry force
of 2500 men and an Infantry Brigade of 3000
I therefore most respectfully ask that I be permitted to remain
or appointed Brigadier General of Cavalry and of Infantry
duty in this Department that Maj. Chenneth & Capt. Inman
have be recommended or appointed as Col & Lt Col of
the 1st Cavalry Regt my Brigade and that Capt. Inman
Lieut & Lt Col of the 1st Regt of my Brigade also that
some efficient Brigadier of Infantry be sent into
this Dept to take charge of the Infantry Brigade that
I am recommending. Should the Department feel as a
most reliable, efficient and energetic person
well calculated to organize Control and command the
said Brigade. It is necessary to remove the present
golden moment for securing an Army from the capacity to
days delay. I absolutely dangerous. For my capacity to
Command of this Dept. I can only say that in '72 I received
and brought into service 22 Companies from Southern Ky. since
which time I have commanded a Brigade under Gen. Sherman
But should you not feel disposed to have me promoted or
accept of my recommendation of Capt. Cummings as Lieut
that others be selected and promoted to the same position.
I desire to call your attention to the above.

or turn him over as a prisoner of
war? You will remember that he
was or the night of Nov. 20, 1864,
turned over for exchange. Johnson is
exceedingly anxious to be exchanged
say he can effect it.
Being blind and unable to move
recommends that he be turned over
Capt Jones as a prisoner of war.

I have the honor to report that

I have made an examination of
A. R. Johnson Brig. Genl. P. C. C. & re-
spectfully report; from the statement
of the prisoner it appears that on the
21st of Aug. 1864, he received a wound
from a bullet, which, entering the right
eye at the external angle, passed through
it, beneath the bridge of the nose, & out
through the other eye just at the exter-
nal orbital process.

He is now entirely & irreversibly
blind & therefore incapable of doing any mil-

General

I have the honor

to recommend Brig. Gen. B. R.

Johnson for promotion to the
command of a Division. Gen. L.

Johnson is a graduate of West Point
of the class of 1840, and served about
seven years in the old Army. He

saw much service on the frontier
and the Mexican war in the old

Army. He is one of the ablest

Brigadier in the Confederate Service
in rank, and has been in most if
not all of the great battles that have
been fought in the West. He had
the command of a Division in
the left wing of the Army at the battle
of Chickamauga, and has had the
command of a Division in this
Army since the middle of November
last. I have found him to be one
of the ablest Divisional Commanders
that I have ever had with me. He
has courage, skill and ability to an
unimpaired degree, and masterly
ideas of action and strategy.

The move that we made upon the
enemy's advance to Dandridge,
in January last, was made upon
his suggestion, and resulted in
the complete discomfiture of the
enemy. I have found him always
ready, with able suggestions, and the
desire to execute them -

I remain General very respectfully
Your Most Obedt Servt

John Johnston

In relation to appointment
of Col. B. R. Johnson

(Rec'd 17th Jan'y 1862)

My dear friend John

Dear Sir

Very truly

Yours

I recommend Col B. A. Johnson - previously
appointed as Brigadier in command of
the State Troops - and suggested at the point
by you, Latham & Harris as a man in
our opinion very well qualified for the
position of Brigadier General.

We would further state that
the Regt which we have the honor to
command fully concurs with us in this
recommendation & that they & we desire &
most respectfully solicit his appointment

SECOND DIVISION,

H. 2nd. Lt. C. C. C.

Albany, May 3. 1864.

General:

In leaving this command I desire to call the attention of the Department to the services of Brig. Gen. Leonard R. Johnson. He was appointed Brig. Gen. in Jan'y 1862. He has been distinguished at Fort Donelson, Shiloh, Perryville, Blount'sboro, Chickamauga and Bean's Station. On the last two occasions in command of divisions. By consecutive promotion he has steadily gained reputation in every action in which he has been engaged. He has been recommended for promotion on several occasions. He has been repeatedly mentioned

my command, and whenever
called upon for the discharge of
important duties, he has dis-
charged them with gallantry and
fidelity. I consider it but
an act of justice to his great
services as a soldier, to make
a recommendation for his
promotion, a recommendation
which is altogether undesigned
by him.

I am, General,

Understanding that the attention
of your Excellency is called to the propriety
of promoting Brig Genl Bushrod Johnston
to a higher rank in the Provisional Army,
I take great pleasure in stating that from
several years before the war I knew Genl
Johnston and know that he is familiar with
the tactics and evolutions of Military
trading, and is highly Educated - a man
of exemplary general habits and of nice
sense of honor. His expectations during the war
about his promotion.

Without intending to interfere in the
performance of duties by your Excellency
requiring severe examination and nice
discrimination, I take the liberty of adding
my humble testimony, as above, to the merits
of this gentleman in question and to the
justification his promotion would cause to
me personally.

Hon. Jas. A. Sedgwick.

Dearest Sir,

Sir,

I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the Commission, Brig. Genl. W. P. Johnson, 1st Lieut. Lawrence, Hardes' Corps, A. I. Genl. Johnson is now one of the oldest graduates of West-Point in the Cavalry Corps who is not a Maj. Genl. ~~at this time~~ ~~at this time~~ ~~at this time~~

Of his ability as a commander there is not the least doubt; on the other hand his command has the merit of merit the confidence and esteem of Commanding Genl. In the field of Louisiana the gallantry and respect of was without question; at Shiloh the same story and having was displayed until he was severely wounded and forced to quit the field. In the latter part of the war he is to be credited the command in a manner accurate to himself. In the field of Mississippi he was one of our most praiseworthy and successful and did most efficient service, during the early part of the war before him. I deem it nothing more than just, when the applications of other younger and braver officers are being laid before the S. of C. that his claims should be presented in proper form. While other officers who were known as the of a soldier until the opening of the present war have been promoted over him and eagerly and highly rewarded, he has been continually the same moderate and unassuming and competent officer. I do not of him self, and the cause we fight for, I most earnestly wish.

and lost for his promotion. Throughout all his military life he has been unwearied for his coolness, sagacity and gallantry in the face of danger and before the enemy. Feeling that the government was earnestly anxious to promote such a man, he has been constantly engaged in the profession of arms since that time. Since he resigned the army of the U. S. he has been prominent in the most flourishing military institution in the South the U. S. Military Academy at Springs, Ark. He has done more to educate, drill and discipline the Officers of the C. S. A. than any other man with his views on the merits of these most famous wars. There is a confidence inspired about his person and his influence to see him accorded a position of more importance.

I am very respectfully

Yours truly

J. H. McCallister

Maj. Gen. C. S. A.

I endorse this application in behalf of Genl Johnston's promotion. I believe I have not known him for the command of a Division. He has served under me and I know his opportunities & his fitness as a military man.

Inclosed herewith you will find a list of the Officers of the Corps of Military Engineers in the Provisional Army of Tennessee. Also a list of the Officers hereto within the State.

I would suggest that the probability is, that the Officers of our Corps can be repositioned to the line of the Army and thus placed on staff duty as Engineers under Section 9. The Act to increase the Military Establishment of the Confederate States and to amend the Act for the establishment and organization of the Army of the Confederate States of America. This has been done in one case at least.

To myself the Secretary of War has indicated to me the Commission that my services

will be required in the Army and I am willing
to enter, at any moment, on any duty you may
assign to me.

Very Respectfully

Yours etc etc.

J. B. Johnson.

Intelligence has just been received from George Ld. of the landing of quite a number of pieces of Artillery at that place yesterday. This news was brought out by a little boy and in as a huckster of eggs & by one of my citizens. I wrote he was not able to state the number of guns. I wrote you two or three days since that at that time they had some brass guns there.

You will remember that while here in
morning, one of Mr. May Baxter's sons
reported that a number of waggons were seen
near Adamsville, & that there were indications
of a movement at that point.

Intelligence was brought in this afternoon that a body of men, with a number of wagons were on the road some six miles from this place moving in this direction. I sent out at once 30 mounted men, under Capt Faulkner, with instructions to ascertain their strength and position; this detail has not yet returned.

The detail sent out on the Savannah road has returned. Report the enemies pickets in the town and that they retired as they approached. Citizens informed Capt Stanton that the enemies encampment had been extended to near the town of Adamsville.

That they have been expecting to see them none on Sunday for several days. That they do not allow any one to pass their lines of whom there is any doubt.

One of my citizens scouts in since night, has learned that the Cavalry landed at Chalk Bluffs, had marching orders with 7 days rations, and to move in the direction of Lexington, & that the Infantry at Crump's Ldg had orders to prepare also 7 days rations.

The bridge heretofore destroyed on Dick creek by my orders have been rebuilt by the Union men of the neighborhood. I am sending out a detail to night to do the work more effectually. I have heard of some Cotton out towards Chalk Bluffs & will endeavour to have it burned tomorrow morning. It belongs to a party in Savannah who is wholly unscrupulous.

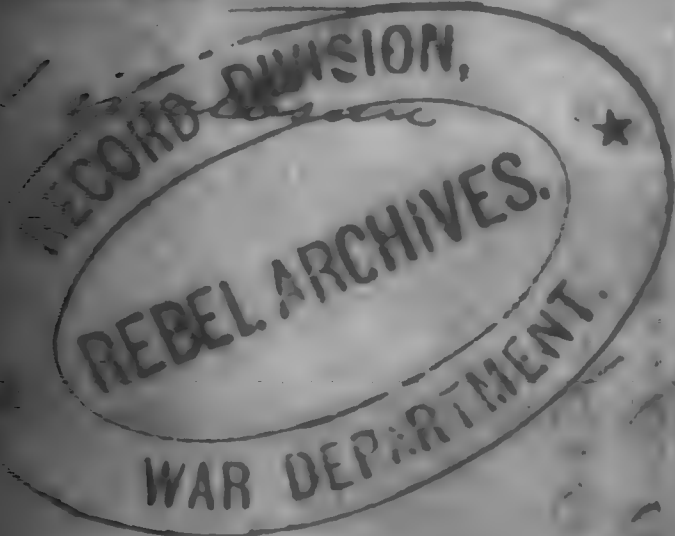

Nothing from the direction of Standonsville this evening.

Sir.

Enclosed you will find a dispatch from
Colonel Smith Commanding at Purry. Since this dispatch was
written I have written Col Smith and am led to con-
cur in his clearly expressed conviction that the En-
emy will advance on Corinth in three Columns:
One from Crump's Landing, One from Pittsburgh and
One (said to be a part of Buell's Army) from Tusculum or
some point in that vicinity of which you are, no
doubt duly apprised. The Column from Crump's
Landing will probably pass through Purry, driving
our forces back; and may not pass further in that
direction, though they might throw a pretty strong force
on my command without materially weakening their
whole strength. They cannot however attain any very
important end by getting possession of this place.

It must be borne in mind that hitherto we have
agreed that Purry itself was not a favorable position
for defense and that troops there should fall back
to a designated point somewhere in rear.

Secretary of War -

We desire to bring to your consideration the claims and qualifications of Col B B Johnson of Tennessee for an appointment in the Confederate Army -

Col J - is a graduate of West Point, and served bravely in the Regular Army of the United States - He served in the Florida & Mexican War, at the close of the latter of which he resigned his Commission, but his duties have been almost entirely of a military character - For many years he has been connected with a military college, and for the last six years has been Superintendent of the Military College at the University of Nashville - When the Army of Tennessee was organized, Col J - was appointed Chief Engineer with the rank of Colonel which Commission he still holds, or held until the

Sec. of War.

Sir.

By instruction of the Hon. Mr. Jones of Tennessee I submit the following brief statement for your consideration.

I entered West Point in 1836 and graduated in 1840. I served as an Officer of the 3^d Regiment U. S. Infantry for seven years, was in the Florida and Mexican wars and participated in four battles. During the last six months of my service in the U. S. Army I was Depot Commissary at Vera Cruz with very heavy responsibilities. Since I left the Army I have been constantly connected with a Military College and for the last six years I have been Superintendent of the Military College at the University of Nashville. My labors for twenty-five years have been applied to Military discipline and instruction; either receiving or imparting it. I have had occasion

to give instruction as well in Military Engineering
and Artillery as in the Infantry Tactics. At
that Point, of course, I passed through a thorough
course in these branches and including Light
Artillery. At present I hold from the State
of Tennessee a Commission of Colonel Commanding
the Corps of Engineers of the Provisional Army of
that State and as such have been mainly engaged
in fortifying the Tennessee river. Herewith
I take the liberty of inclosing a letter from
Gen. J. G. Harris, commendatory of my services.

Perhaps I am most thoroughly at home in
the Infantry Arm of the Service. It will be
for you to determine whether you can do
better than to place me in the Engineer Corps
or the Artillery Service.

Very respectfully

Your obt. servt.

My dear Sir

The promotion of Brigadiers General Whinchie & Fagan of Ark. & of Parsons & Mannadake of Mo. have been recommended by Gen Smith. Each one is now in command of a division. I presume the President will nominate them.

My son Capt. B S Johnson A & Gen. was ^{disabled temporarily} badly wounded at Phasant Hill, leading a charge upon a battery - my nephew, A H Severn, acted with great gallantry also there, and at Jenkins Ferry on the Sabine - & has been once before shot through the body but ~~has~~ recovered. It may please the President to grant them promotion as they were highly recommended for it by Gen Chamberlain.

At some moment when not intruding too much, will you do me the favor to present this subject to the President with my respects and say it would gratify me very much to bear with me these commissions if agreeable to him.

I am resp^{ly} & truly yours

Sir,

My dear Sir

I beg to present to you, & through you to the President, if it be proper & necessary in your judgment, the name of my son Ray S Johnson for appointment as a first Lieutenant.

He is now on the staff of Genl McCallum as a volunteer Aid, was with him in the Battle of Oak Hills, and won some distinction there.

He is now 20 years of age, and he was a student in the Georgia Military Academy; he has commanded a company of students in college to which he was elected; he is fresh in his knowledge & has now been several months in active service in the field with Genl McCallum, and has fondness for it.

I carried him with me to Montgomery to present him, but it was painful to me to ask the appointment and I did not do so, & it is only since his conduct in the camp and in the battle that I feel willing to do so, & if it is not right I do not.

complementary notices of him and among
others an extract of letter from Maj

that I do not insist on it and shall

TERMS AND CONDITIONS ON WHICH MESSAGES ARE RECEIVED BY THESE COMPANIES FOR TRANSMISSION

Telegraphic companies are notified that, in order to prevent any mistakes in the transmission of messages, every message of importance ought to be repeated before being sent back to the station at which it is to be received to the extent from which it is originally sent. Most telegraphic companies for transmission will be charged for repeating the message, but the telegraphic companies beyond the hundred thousand francs paid for sending the message, nor will they be responsible for mistakes or delays in the transmission or delivery of messages, in a station or case they may be sent, but for the delay arising from transmission in the working of their telegraphs, or delays in the transmission of messages, or any other cause, they are not responsible. I have the honor to state to you that Mr Benjamin Johnson, son of the Hon^{ble} Robt H. Johnson of Arkansas, has been serving in the past three months as volunteer aide-de-camp to Genl. Mr Johnson has on various occasions been of great service on the staff, and when an opportunity occurs he has acted bravely & courageously in the battle near Youngfield, he has now shot under him while charging the enemy at General Dr. Collock side. Mr Young further on is a graduate of one of the Southern Military Institutes, is singularly temperate in his habits and would make a fine officer.

Statement of disbarment
of the Regt. of
the 1st Maryland
Infantry

and the 1st
Regt. of Colored
Infantry
in Maryland

The mission of the Order, if left
in my competency to make it
inference mainly by an officer with
out his Corps which I do not think
would not affect the object and
confer on the Commission to the
Sum of the Order. It would only place
Col. Johnson where he would be
if no such order had been made
than some other person having
been appointed to the same
man, as the separation of the
Regiment the Regiment would
necessarily have lost its organi-
zation, this the Commission for
the war had been planned
with that the organization of the
Regt. Col. J. when Comm. was
dependent on the duration of
the Regiment, that necessarily
have caused to be Colonel and
that have gone out of Commission.

The only way to replace in the rank
of Col. is by re-appointment, and
for that an appropriate Corps, with
the Command vacant is necessary
I do not know for any such Corps being
any, as the Maryland alone is not a
State and cannot have such a
Rank command.

Hon James A. Sedgwick

Secty of War

Sir

My Special Order No 186 - Jan 17. A. & S.
Genls Office dated Aug 12th 1863. The 1st Regt
Regiment of which I was Colonel was
disbanded & the many land & line organized by
Act of Congress app'd Feb 15. 1862 & Genl Order No 8
Act of S. & C. and which I then commanded,
The Genl & Staff having been moved, was
for the time being disorganized & broken up
I thus lost my command & my rank
tho I had commanded the Regt in my Regt
in Virginia but the first Rearrangement -
since then a Battalion of seven com-
panies of Infantry has been formed
which with five troops of Cavalry & one
of Artillery constitute the 1st Ind Line,
& are serving under 13 Genl H. E. Lawrence
The Valley.

Special Order No 180 Jan 18 has been de-
-clad on from different occasions. as far
as it applied to officers of former different
companies. & they have been reunited in

in their original rank. They are making
efforts to collect & recruit the scattered com-
panies. I respectfully ask that the said
order be rescinded so far as it applies to any
case & that I be reinstated in my former
rank of Capt / 1st Infantry, and assigned to
the command of the Maryland Line,
being that which I had when my rank
was taken from me. - I cannot
see that this rule is injurious to any one
and believe it will be agreeable to officers
& men of that command - The Adjutant
Commandant first elected me 1st Cal which
I was obliged to decline from consideration
of personal delicacy towards the Senior
Officer of the Battalion who desired the
promotion & I feared my acceptance
would perpetuate divisions which I
desire healed.

I have the honor to be

Yours truly

General I respectfully acknowledge

Colonel of the 1st Maryland Regiment
has appointed Brigadier General. Whilst
I was in command of the 1st Maryland
the 1st part of the year. Col. I left
his name in Maryland and entered
his service. Where he continued until
his regiment was recently disbanded
I regarded him as a promising officer
and he first entered the Army, and so
fully did he come up to my expectations
that when his regiment was disbanded
I put him in command of a brigade,
and so at last did he discharge his
duties in the recent duty as well
as to make it my duty as well
as pleasure to recommend him for a
brigading General. The Brilliant services
of this brigade in the engagement on
Saturday last prove that it was under
a superior leader whose spirit was that of
of his command. When it is difficult

I am a good general officer, I deem it due
the service not to permit an opportunity
to securing the services of one of rare merit
to pass unimpaired. I am general your ott servant

Dec: 1862

His Excellency
President Davis

Sir:

I endeavored, on several occasions, to obtain an interview with you recently, but, in consequence of your performing engagements I was not so fortunate as to succeed.

My purpose was to speak of the extraordinary merit & claims of my friend Col. B. J. Johnson of Maryland.

I have been intimately acquainted with Col. Johnson for many years. Possessing a high order of talent & a finished education, enjoying a large influence in the old States, Right Democratic party of Maryland, he was amongst the first to advocate the principles of this revolution, and to leave fortune & friends, to

for his life for their organization.

He left Maryland as Captain of a Company raised by himself, in May 1861, and entered active service upon the organization of the M.-Md. Regiment at-Hampers Ferry, as Major of that Regt.

He has been in nearly every battle from that of July 21st/61 to the second battle of Manassas. He lost his command by the disbanding of his Regiment upon the ground of its uselessness to Skeleton numbers.

Immediately thereupon Lieut. Genl. Jackson, well knowing his capacity, courage and services, appointed him to the temporary command of a Brigade; & both he & Maj. Genl. Ewell have recommended.

His promotion in the shortest terms, as will be seen by their letters on file

in the War Office. All the Brigadiers from Maryland, except Genl. Trimble, are resigned officers of the old army, appointed at Annapolis, & not at Maryland. I cannot conceive of a stronger case than this of Col. Johnson.

He is most-anxious for service in the field. He has won his claim to high position by early & great sacrifices & by constant and heroic duty. His promotion is earnestly desired by all Marylanders whose judgment could influence my opinions. To me his advancement would be a great personal gratification.

Most-respectfully
Wm. B. Lewis.

a commander, is composed of three
regts. & two H. Co. regts. - there are
not enough regts. from either State
in this Army to form a distinct
brigade - This Jackson's brigade

Ala. regts) being the only organic
brigade in the Army - I know
of no permission to officer from H. Co.

the only one from Virg. that I know
of is Col. R. L. Withers 18 Virg.

gallantly leading his regt. in the
charge against the enemy's works

been promoted to Lieut. General since wounded
but found himself unable to stand
the hardships of the winter campaign.

I have the
honor to recommend Genl. Donally
G. Johnson of the "Ma. Line", for
promotion to the rank of Brig.
General.

Genl. Johnson has been fre-
quently recommended by me,
and by many Officers of rank
and distinction in the Army.
It is hardly necessary to say more
in his praise than has already
been brought to the attention
of the Department. His merits
are well known to all. He
has acquired in the Army, a
high military reputation, to which
he has greatly added by his late
successful efforts, in the Country
near to Richmond under Kilpatrick.

I sincerely hope Genl. Johnson's
services may be duly appre-
ciated by the Government, and
that he may receive his just
reward.

Sir

I have the honor to

I have been promoted to
Col of Cavalry, on the Military

neither onerous nor
lucrative, nor a tribute.
My health & physique per-

General

I respectfully
recommend that Colonel
Madley T. Johnson late
Colonel of the 1st Ind Regt
be appointed Brigadier Genl.
Whilst I was in command
at Harper's Ferry, Col. J. left
his home in Maryland, and
entered our service, where
he continued until his
Regiment was recently dis-
banded, & regarded him
as a promising officer when
he first entered the Army,
and so fully did he come up
to my expectations that
when his Regiment was
disbanded I put him in

command of a Brigade, and
so ably did he discharge
his duties in the recent
Battles near Bull Run
as to make it my duty as
well as pleasure to recom-
mend him for Brigadier Generalcy
The brilliant service of his
Brigade, in the engagement
on Saturday last, proved
that it was under a Superior
leader whose spirit was
partaken of by his command
When it is so difficult to
procure good general officers
I deem it ~~regrettable~~ but due
to the service, not to permit
an opportunity passing
the service of one of our
men to pass unimproved

TREASURY DEPARTMENT, C. S. A.

Second Auditor's Office,

Richmond, Va., - September 28th 1861.

Sir,

The enclosed account of Capt. J. W. Johnson for expenses of Guard in bringing Prisoners of War from Chicago to Richmond, Va., amounting to \$260 & some is herewith submitted for your consideration. It is certified to be correct by Brig Genl. H. H. Tamm, and that the Prisoners were duly delivered by said Guard.

By the certificate of J. W. Johnson it is explained that the Guard consisted of Citizens who make no charge for their personal services, furnishing their own horses & claiming nothing but to have the expense of the maintenance of the horses & their harness paid by the Government.

Whilst protesting against the practice which has prevailed (as yet, however, to a small extent) of maintaining men performing military duty of this description at the most expensive Hotel along the route in this City, when they should have been placed at the Cheapest houses consistent with their comfort. I nevertheless think that this account may be paid by a Quarter Master here as the charge of the Guard & their horses would, probably, make up the difference. My reason for this error is that these men are waiting here upon orders for the settlement of this matter. To take the other course of a report & statement for payment through the Treasury would subject them to delay they could ill bear.

I should you approve this course there will be no difficulty in having the account promptly paid by a

 Capt. Johnson very
 advantageously as

 sending him in the first

In Company
with Genl. Doyles and his A. D. C.
I crossed the Mississippi River

on the night of the 3rd inst. without
much difficulty.

I shall proceed from this
Point to Cahaluphia where I leave
the Army of Genl. Polk to move forward
at once upon the duties which you
have assigned me.

The general feeling
of the people that I have met with
since crossing the Mississippi is

the highly encouraging accounts from
Genl. Bragg's Army has already produced
a fine effect.

On my return from Texas in an interview with Lieut Gen. Burnside's Texas Chas Dept. concerning the wants of his Dept, and the importance of the Government being placed in possession of the condition of affairs in Texas & Arkansas, he expressed a wish that I should return to Richmond immediately and if I could do so, he would communicate his own views fully to the President as to his wants.

Agreeing with the General, I have delayed before visiting Maj Genl Taylor Ad. Quarter. This I would not have done but for the confidence which the Lieut Gen has in that officer, and the high opinion he expresses

Dear Uncle.

Permit me to introduce to you
my friend Capt D. L. Johnston, who goes to
Richmond to visit the Sec of War to
obtain if possible an order to raise
a Battery of six pieces of Artillery for the
Confederate Service. He and myself have
been endeavoring for the last three months
to get up an Artillery Company, but in
consequence of the scarcity of horses in
the Parish were unable to do so. Capt
Johnston is an accomplished Artilleryman
having served several years as a member
of the Washington Artillery in New Orleans

and was ordered to Virginia where
he participated in the early Battles.

his undertaking and you will

Dear Uncle

Permit me to introduce to you my friend
Capt. W. C. Johnson^(t) who goes to Richmond to
visit the Secretary of War. to obtain if possible
an arm to raise a battery of his price of \$1000
for the Confederate Service. He and myself have
been endeavoring for the last three months to get up
an Artillery Company but in consequence of the
scarcity of arms in the Parish were unable to do so.
Capt. Johnson is an accomplished Artilleryman
and served in a number of the battles of the
Confederacy in the Artillery before the breaking out of
war, and was ordered to Virginia where he partic-
ipated in the early battles. Be kind enough to
assist him in his undertaking, and you will receive a
great favor on your Affectionate Nephew

From

James A. Laddan
Sec of War

Dear Sir,

The petition of
the undersigned, respectfully represents that
he has been an active member of the Washington
Artillery since Col J. D. Walton since 1855. At the
time Louisiana dissolved her connection from
the Federal Union, he was appointed and
regularly commissioned Captain on the staff
of Brig Genl Chas. A. Labugan of the Louisiana
State troops. When the Washington Artillery left
New Orleans for Virginia, he accompanied them
in a volunteer capacity, was under fire
at the Battle of Manassas, and continued with
the Battalion until after the evacuation of
Munson Hill, when he was recalled to New Orleans
by his commanding General, when he remained
in active duty until the fall of that city. On
the 25th of November/62 he was introduced
to his Excellency President Davis through
letters from his nephews Dr Jor and Mr Jor
D. Smith, the purport of which letters were
to obtain authority to recruit a Battery if
being illegal at that time to recruit companies,
his Excellency endorsed the letter, and on the

29th Nov/63 you granted him authority to
recruit a Battery of six pieces, from men
residing in the enemy lines. After much
time and at a great expense to himself
he succeeded in enlisting forty-three men;
finding it impossible to recruit more in
Louisiana, he on the 6th of April/63 obtained
an order from Lt. Genl Pemberton to fill up
his company by recruiting from convicts;
About the 1st of May/63 he reported to May-
Genl Grant at Port Hudson for duty, who
refused to receive David Company as artillery,
from protection. Made several attempts to see
Genl Pemberton but owing to the movements
of the enemy he was unable to do so. On
the 1st of June/63 he was assigned to
duty as Inspector General of Col B. L. Logan
commanding Bryan of Cavalry on the out-
posts of Port Hudson, and remained in
that capacity until the last of August, when
he was assigned to duty as Ordnance Officer
of the Brigade. He visited Richmond last
fall in company with Col Logan; his
object at that time was to obtain
in the Ordnance Department to serve with
Col Logan but Col Logan met meeting with
his expected promotion, your protection being
was the immediate cause of his not receiving
his wish for commission. On the 20th of November

last, you grant him authority to raise a Company
of Cavalry within the army's line of East Louisiana
he immediately proceeded to this District, which
lines had been extended to very near the
original position, upon his arrival here he
not only found the District terribly demoralized
but found men/some of whom had never been
in the Army) raising new companies and recruiting
companies and even deserters in our own lines;
some said they had authority from Genl. Sherman
and others from the Sec of War, They raised
their companies and are now known as Panola
Regiment from petitioners being very much
discouraged at the above, he. nevertheless went
into the enemy's lines, but found them entirely
depleted of fighting material. On the first of last
February he reported to Lt Genl Polk who
assigned him to duty with Maj Genl A. B.
Donist as Finance Officer) an accident occurred
which prevented him from reporting to Genl
Forrest, and as soon as recovered, General Polk
assigned him to duty as Provost Marshal
of this District. The following day Genl Polk
ascertained that there had been an old order
issued prohibiting any person from holding
the Office of Provost Marshal unless he be a
commissioned Officer. Genl Polk reluctantly
was obliged to revoke the order. This
District however being in such a state of

demoralization Genl Palk thought the men
could be more efficient here than elsewhere
and on the first of April sent, he assigned
him to duty as Chief Detention of the District.
He is now acting in that capacity and has a
fine corps of detention under him, as
any district can procure; he has daily com-
-munication with Baton Rouge and weekly
from New Orleans, he is at all times prepared
to give the proper Officer what information
they may require, and there are none of
his corps subject to conscription. He would
readily state that his business here
has been closed and his property sold to
the enemy in New Orleans. His family have
been exiled from their home for more than
two years, and he now finds it impossible to
provide for them, as the only home he has
for them is one that he is obliged to pay
for monthly. He is now over \$1500 - in debt,
and has been in active service since the
beginning of the War and in that time he
has never drawn one cent of pay from the
Government. Under the existing circumstances,
he feels that he may receive an appointment
either Civil or Military that will enable him
to help his family. Genl Palk was to have
recommended this application; it would have
been written at an earlier date, had not

Gene Park been ordered to Gene Johnston. The
enclosed letter however will clearly show
that he fully intended endorsing this
application.

Very respectfully

Your old friend

I beg leave to inform you

that I have been appointed

of Lieutenant in the Infantry Army

at Petersburg Va.

Mr. Johnson is a young gentleman of
very excellent promise. has a fair military edu-

cation is still temperate in his habits and

is now in service. He will return in the

fall of the year. This summer displayed a fine

display in action, the finest quality of an

soldier's self.

He is quite young & a fine

cent contribution might well be made in
further the cause of the suffering
and the same is at least the case in
considered in the following and is a great
the position.

Should be be appointed I should
be greatly pleased to have him assigned
for duty with me, as I know he
would send an excellent service.

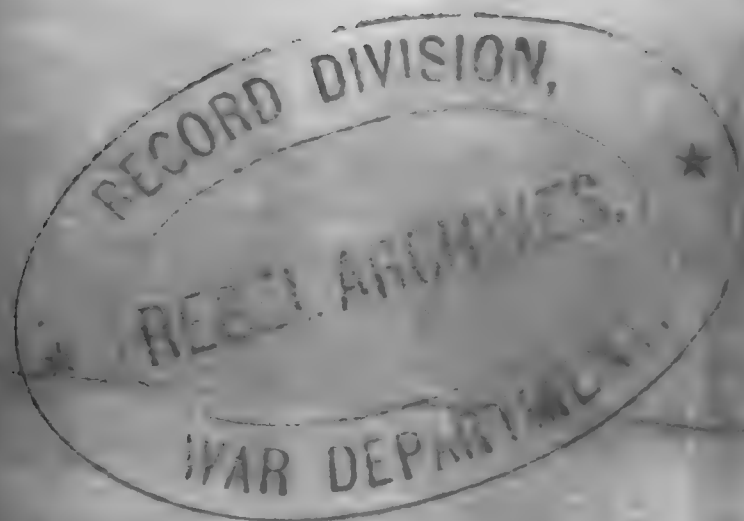

I have the honor to be
with very kind regards.

Yours sincerely,

Secy of War.

Sir

This will be handed you
by my grandson J. M. Johnson,
son of W. K. Johnson Jr. whom
I beg leave to introduce to your
acquaintance. Some time
since he obtained the appoint-
ment of Vol. Aid to Genl. Robert
Ransom. In a short time there
after Genl. Ransom was killed
and then Genl. J. M. Ransom
requested his brother to transfer
my grandson to his staff.
(Genl. J. M. Ransom). It was done, & in
that capacity he has acted
ever since. Within a few
days last past however, he
has been notified by the War
Department that he is

(called Kevocion), that as he
have only been appointed as
Volunteer Aid he would now
be required, under the conscription
law, to enter the service in
some other department. In
view of these facts, Mr. Solomon
desires to obtain a Lieutenantcy
in the Confederate Service.
In addition to the testimonial
of merit from Genl. H. W. Burton
which accompanies this letter,
I beg leave to add a well known
fact familiar to all his ac-
quaintances, that Mr. Solomon's
constitution is always has
been very delicate - so much
so as to unfit him for camp's ser-
vice in the ranks, yet he is
anxious to enter the service.
Of his other qualifications it
does not become ^{me} to speak; I
will further add that he is
an excellent soldier.

be soon returned home again.

I need scarcely say how
much it would contribute
to the gratification of his
family & myself, should
wonder that you should
favor him with the
appointment of a Lieutenant
in the Confederate Service.

to be most resptlly

General

I have the honor to present for your consideration the claims of Captain John Johnson Corps of Engineers, to promotion for gallant and efficient services rendered in the defense of Fort Sumter.

On the 21st of June 1863 Capt. John Johnston Johnson was placed in charge of Fort Sumter as its local Engineer (relieving Mr E. P. White who had discharged very satisfactorily). So that twice the duties of Engineer at that Post in which position he continued during the severe bombardment of the Fort in August, during night and day, always cheerful and inspiring confidence, and shrinking from no labor danger or exposure in the discharge of his duties, until the 2nd of September, when by the advice of his Surgeon he sought the rest made necessary by the threatening condition of his arm which had been wounded on the 17th of August by the fragment of a shell. For services during this period he was promoted to the rank of Captain. He was relieved by Capt. Thompson who remained at the Fort until the 5th of September discharging his duties under the trying circumstances of a severe bombardment during most of the month of October to my entire satisfaction, when ill health rendered him unfit for further duty. Capt. Johnson again assumed charge of the Fort and still continues it, discharging his duties with accustomed energy devotion and skill, thereby contributing in an eminent degree

to the manifest elarence of the fact and fault
involving himself & the further promotion in the
Corps of Engineers recommended above.

Yours respectfully

Referring to my letter of July 16th 1864 in which I had the honor to recommend the promotions of Captain John Collicott, the Comd of Officers and Captain John Johnson the Engineer in charge, of Fort Sumter, I have the honor to inform you that on the 20th of July, Capt Mitchell fell, mortally wounded, while faithfully performing his duty;

On the 28th of July Capt Johnson was seriously & dangerously wounded, having been fired on of the time since April 1863 on duty as Engineer of Fort Sumter. The promotions which Capt Mitchell richly merited has been forewinded by his untimely fall. Capt Johnson survives and I trust will soon be able to resume his duties.

Was a act of justice to a gallant officer & trust that he may soon receive a recognition of his services, and be respectfully to renew my application of July 16th for his promotion to a Majority accordingly.

(While other for to promotions awarded by the enemy have succumbed after periods of resistance comparatively short, Fort Sumter and the batteries defending Charles- ton have continued to defy his efforts for more than a year.

of those most actively engaged in the struggle,
so far that it may almost be said that, some have
received promotion or acknowledgment of services when
their results must be called meritorious at the hands of
this government.

(The case of Capt. Johnson, besides one of the
most prominent, and accordingly prominent in that
regard.)

I shall perform a duty which is in cum such
upon me to write in reference to other cases at an
early day.

Hon L P Walker
Sec. at War
Sir

I received a commission as Major in the "active Vol forces of Va" on the 2nd May, was ordered to Ashland Camp as instructor of Cavalry on the 8th, from which time to the 30th June I was actively engaged in that capacity. On the 1st July I was ordered by Gen Lee to report here as Act Sec^y to this Div., where I have continued on duty to this date.

The question being raised in the Pay Dept as to my right to receive pay from the C States under my present commission, I respectfully ask that I receive one, with the rank of Major, as one of the a a Gen's (in the C P A) lately authorized by Congress. In failing in this, that I be assigned to a Cavalry regiment, feeling that in one of these two positions I can be most efficient.

I am Sir Very Respectfully

It may not be amiss to state

that I was educated at West Point.

Captain

Sir, I am
desirous of fully equipping my Company
as Light Artillery, and being ready for the
fall and winter service. I would respectfully
ask to be allowed to turn over, what few horses
I now have, to the Quartermaster and to be assign-
ed to the Command of a battery of heavy guns.
For the Fall Campaign. This arrangement will
enable me to recruit the health of my men, and
strengthen my Command; while at the same time
the Senior Companies will be thoroughly equipped,
and then I may be able to equip my Command.

Should this request meet the approval of
the Commanding General, I trust that he may
assign me to some honorable post, where we may
meet and repulse our vandal foe.

Very respectfully

THE ADJUTANT GENERAL'S OFFICE

July 13, 1864.

Respectfully returned to

Mrs. A. B. J. Williams,
2604 West Grace Street,
Richmond, Virginia.

The records show that John D. Johnson, not found as John Dice Johnson, Private, (1st) Company "F", (Franklin Guards), 23 (2nd's) Regiment Virginia Infantry, Confederate States Army, was enlisted May 28, 1861, at Craaton, Virginia.

He was paroled at Beverly, Randolph County, Virginia, July 17, 1861, but the date of capture is not stated, age 27 years, occupation a physician, nativity Pamunton County, Virginia, height 5 feet 10 inches, dark complexion, dark hair and grey eyes.

Other records show that he was paid to December 21, 1861, and was later exempted by reason of being a physician.

This company subsequently became the (2nd) Company "F", 2nd Regiment Virginia Mounted Infantry. The Muster Roll of that company dated February 28, 1863, shows him absent on leave of absence and the roll dated April 30, 1863, shows him absent, detailed as Physician at Ironville, Virginia.

His name is not borne on the subsequent rolls on file in this office for the above named company, which cover the period from October 1, 1863, to December 21, 1861, and no later record of him has been found.

Other records show that he was paid for medical services rendered during the months of September, October and November, 1861, through Dr. Reuben B. Dice, House of Delegates, his Attorney.

I respectfully request to be retained from
duty with this command with permission
to attend at Chickasaw Valley a transfer
to the Grand Wife department. My motives
in making this request is that I hold
my present position upon the nomination
of Brig Genl Corley. Who has asked for
Orders similar to the above, under circumstances
that had but little doubt of his request
being granted.

The Officer who succeeds him in this Command
will doubtless desire to have his own friends
upon his Staff. It is also my earnest desire
to accompany Genl Corley whenever he may
be sent.

Trusting that the Brigs will be sufficient
means to insure a favorable consideration
of this application.

I am the honor to Col

I am very glad to hear from you and hope you are well. I have been thinking much lately about the future of our country and the need for a strong government. I believe we must have a strong central authority to guide us through these difficult times. I am writing to you to express my views on this matter and to ask for your opinion. I think it is important that we all work together to build a better future for ourselves and for our children.

Yours truly,
John F. Kennedy

I write you in reference to the Cadetship of which you spoke to me when in Richmond James W. Johnson, for whom the application was made is a mere boy not yet sixteen is in Kentucky and there is no probability of his coming South as he is the sole male member of the family left for the protection of his mother.

I write therefore to ask that the Commission shall be made out for his brother Madison W. Johnson, with the full assurance to the President - that this arrangement will be equally satisfactory and gratifying to all concerned.

Madison is nineteen years old. He has been in the service of the Confederate States more than a year having been a private in Morgan's Cavalry and having shared in every important expedition and battle in which his Command were engaged. He was at Shiloh and also in the 1st Kentucky expedition and unanimously entered by his comrades as a brave and efficient soldier. In the late Kentucky Campaign he was volunteer aid to General Buckner by invitation and at the battle of Perryville was wounded through the hand.

He is now, as he has been since leaving his wound still serving with General Buckner, and it is the desire of the General that he may still continue with him for instruction. General Buckner will no doubt submit with this letter an application and recommendation for his appointment.

I have to ask therefore that the Commission be made out for him as Cadet and that he be assigned to General Buckner for duty. His Commission can be sent by Mr Shelby care of Genl Buckner.

Very truly Yours &c

Abraham Johnston

P.S.

General Bragg informs me that he made application to the Adjutant Genl. in person for a Commission for myself: D. W. Boggs and L. P. Cowser his son-in-law. That General Cooper made a note of it and promised to submit the names to the President. Delicacy which you will understand prevents my telling him further though I am aware that a short application would have caused less delay.

Feb 16th 1864

To the President of the Confederate States
Sir

Permit me to call your attention
to the enclosed recommendations of
Petk. S. Johnson for promotion.

I earnestly urge their favorable
consideration as but just to his merits
and hope you will find it consistent
with your aims of public interest
to appoint him either to a teachership
or to a lieutenancy. For the
reasons in my District (eight Arm)
I have as you will remember recom-
mended Captain Winchester of Kansas
Territory Arm as second for that
District to which recommendations
I refer.

Mr Johnson is the worthy son of the
Hon Eam Johnson, and has served
gallantly during the entire war and I
earnestly recommend his promotion.
Very respectfully yours J. H. Hunt

General

I have the Pleasure to inform you that
A. H. C. C. Regiment will be recommended to
the War Department for promotion in the Prov-
isional Army of the Confederate States.

I have known Mr. Johnson from his childhood, & for
a period of eighteen months commanded the regi-
ment in which he served, & it affords me great
pleasure to inform you, that no young gentleman of
my acquaintance is more worthy of promotion.
As a soldier he was diligent in attention to all his du-
ties; obedient to discipline, and in action he has
proved his bravery. ^{Superior} social
advantages, ^{high} character of
morality, eminently fit him for the position to
which he aspires.

I leave the honor to recommend
Mr Johnson to a Cadetship, or Brevet 2nd Lt Private Ralte
of any former Company A 49th Tenn Regt. from which
I have been recently promoted.

My recommendation is made from a sense of justice to a mer-
itorious private in the ranks, who from the time of his enlist-
ment in Novr 1861 has been faithful, self-sacrificing and true.
Mr Johnson is the youngest son of the Hon. Charles Johnson
and though surrounded at home by all that high social pos-
sion and wealth could give, he when under age (seventeen)
enlisted as a private, preferring by his own courage and good con-
duct to win promotion. To having a Commissioner given him
by the influence of his prominent relation and friends.

From the fight of Fort Donelson down to this time he has
been a faithful, unflinching soldier, and has more than once
distinguished himself in action, for gallantry.

~~While a prisoner of war, though a mere boy he bravely and~~
sweepsfully combatted the influence of Gov Campbell and oth-
er renegade Tennesseeans sent as emissaries to his prison house
to induce him and his comrades to take the oath of Allegiance to
the Federal Government, I feel I but discharge a duty to the Gov-
ernment in thus calling the attention of the department to this
gallant young soldier. His character for honor, and in tegrity
cannot be too highly spoken of, and his intelligence and experience
are fully equal to the commands sought for him.

Respectfully

I have the honor to recommend
Mr. Johnson as a Cadetship or Cadet 2nd Lt. Private
1st U.S. Johnson of my former Company A-49. 1st Ann
Regt. from which I have been recently promoted.

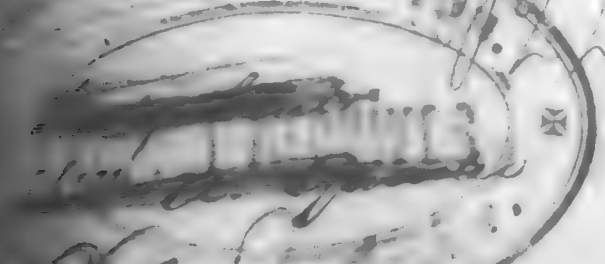

His recommendation is made for not at end of justice
or pecuniary private in the ranks, who for the fine
his enlistment in Nov. 1861 has been faithful, self-sacrif-
icing and true.

Mr. Johnson is the youngest son of the
Hon. Cape Johnson and Captain, and wounded at some
place that high social position and wealth could give.
He spent under the (Seventeen) enlisted as a private.
He is a brave man, his own courage and good conduct to him
promotion, by having a communication given him by the
force of his prodigious relation and friends. At this time
from the fight of Fort Donelson down to this time
he has been a faithful, unflinching soldier and has
more than once distinguished himself in action for
gallantry. While a prisoner of War through a mere
he is bravely and successfully conducted the influence
of Mr. Campbell and other prisoners. He is necessary
not as unnecessary to his prisoners, but to induce him
and his comrades to take the oath of allegiance
to the Federal Government. I feel that to discharge a
duty to the Government in thus calling the attention of
the Department to this gallant young soldier. He is

character for honor and integrity cannot be too

abilities are fully equal to the command sought

Richmond Jan 14. 1864

To The Hon Jas A. Seddon Secretary of War

Sir - I take the liberty of calling your

attention to an inconvenience, from which

the Chaplains of the Confederate Army

are now suffering. In the summer of

1861 Congress passed an act giving an

entire to the Chaplains. Up to that time

that enjoyed in common with other commis-

sioned officers the privilege of purchasing

their provisions from the commissaries. The

Commissaries are now taking, the ground that

the act of Congress giving a ration to the

Chaplains, deprives them of the privilege of

purchasing. There is not one of presume

who would not cheerfully give up the ration

to have the privilege of purchase & order

to them, & taking. sort of a general order

it would seem, can afford relief or set

the matter at rest.

Very respectfully

Your obedient servant

Dear Saml

I write to day to you that a short time ago
your wife was in terrible aching aches badly, and I have
this day seen a letter from her, from which I learn she is
suffering horribly in the hips, and has experienced the
kind of the deadly rodence that you know our mother
has been tormented terribly for the months - I am sure
it will be best that she spend the winter in the South.

My interest in you and your wife's happiness & health
must be my apology for these obtruding intrusions.

From the Papers I find Charles had got three, and I suppose
two from a brother for the machine to write - Walter does
not possess a man in which any place has withstand
the contamination considering the importance now and
weight of Moses vs. David had. Walter can all
say he able to imagine discrepancy to write - you I must
but know that is the and the many will dissect. -

I should be glad to hear from you a few
words of the elucidation of things about Thaddeus &
your propositions of the future.

Yours sincerely

General

I respectfully ask a leave of absence of thirty days for the purpose of going to Virginia and bringing my wife & Florida. From the enclosed letters you will see that Dr Broad - one of the oldest and most distinguished physicians in Richmond considers it unsafe for her to remain in Virginia this winter. All of her male relatives and all of her friends are in service she can have no other escort. I have been in service since May 1861 and have only two or three days leave of absence in the line of my proper duty.

Gen. A. R. Stanton

Quartermaster General
Richmond

Aug 27 1863

General:

I have been either in the line or in the Quartermaster's Department almost ever since the war and for nearly the whole of that time it has been a favorite idea with me to economize with supplies at antebellum depots greatly in excess of present transportation for this idea has been prominent in my mind. There is in great defeats & retreats there is more or less loss of wagons & total loss. In the mean time we have been employing wagons & harnesses from the journey to such an extent that there is about an end of this matter. Wagons & harnesses as you well know from exposure and rough usage wear out rapidly in the Army. At last this thing culminated in Mississippi. Our little Army lost nearly all its transportation and Gen Johnston was five or six weeks stationary after his last soldier got in for lack of transportation. Agents were sent out (themselves among the number) & we secured the Cotton States by picking up a wagon here & there & a little of harness here and there in finders full. This appeared to me a desperate proceeding to argue for. This idea occurred to me in former occasions to argue for as the 10th June, and again in reply to his, 26th June, and am glad to say that my views were fully endorsed. My

plans was by purchase or manufacture as both to make a great
central depot at Columbus Geo. of wagons harness and
Camp & Garrison equipment, to meet great emergencies which
should be under the exclusive control of the Quartermaster
General - views being made by his order alone. I foresee
that while supplies to a limited extent might be obtained
by Contract, yet that the Government would have to manufacture
both wagons, ^{as teams} as private individuals could not command iron or
hacks at reasonable prices or in sufficient quantities. On mo-
rning of the 16th July Col Myers endorsed as follows and enclosed letter
and endorsement to Maj. Dillard

J. Q. M. Genl Office Richmond July 22 1863
Respectfully refers to Maj. W. Dillard Q. M. with approval of the
views of Col Johnson in proposing that a wagon manufacturing co
be established at Columbus. The work may be commenced under the
direction of Maj. Dillard who is authorized to place Col Johnson
as charge in charge as a Special Agent of the Q. M. Dept.
It is indicated that Col Johnson will be announced in orders
from the Adjut. Genl's office as a Special Agent. His bond
will be required for \$20,000: after executing the same he may
receive money & property - his compensation will be that of a
Major in the Q. M. Dept.!

Nothing was done by Maj. Dillard towards establishing
the factories and on the 7th August I mailed my bond to your
office with three signatures thereto each of whom ^{only} sends they were, the
sum of \$20,000. - I have rec^d no notice whether it has been affor-
wed or not.

On the 6th Aug. Col Myers informed me that

on the day previous he had enclosed to me "An extract from the
Orders of the Adjutant & Inspector General, Nov 1844 appointing me
Special Agent of the Quartermaster's Department." This has not yet
come to hand.

After executing my bond. I by the advice of
Maj Bellard entered with a party to make 5000 pairs of
trace chains - I rented a machine shop with engine & stock
& many machines adapted for wagon making - I am getting up some
more machines - I went to Lima & laid in a requisition for iron
1000 wagons & 1000 Ambulances - I went to Morkel & bought a
lot of Axes and other tools for the blacksmith shop - I also
sent out an order by a government steamer to run out from Morkel
for various tools & materials both for the wagon & harness making
and now I am contracting for wagons & for the various kinds of harness
to carry in the wagon shop.

As agent of Maj Bellard I contracted for harness for
about 5000 horses and about 800 of which is delivered. He
agrees that the balance of the contract say 4000 harness may go to
the Transportation Depot here.

If I am sustained by you I intend to make the
best wagon in the Infirmary - something of which you shall be
proud.

Upon this endorsement of your predecessor a copy
of which is given to me is conveyed with a letter to Capt Colton
adapted to him by you, Maj Bellard thinks that all requisitions
will have to be approved by him & that all my papers will have
to go thro his office. He is however unwilling that this should be
done & wants me to be independent & report to you directly.

I will add that I so desire. I think myself perfectly competent to carry out my own ideas. Col Meyer as I understand ^{has been no time} ~~has been no time~~ ^{never} ~~never~~ thought May Dillard to commence the work of that one is charge. It was necessary to have money to commence with & as one but a bonded officer could handle money or receive property. Col Meyer did not know how long it would take or to furnish the bond - it might be two weeks or a month. When May Dillard the work might go forward. But when I began the bond in the bond sent or May Dillard's bond is, there is as much as for his deposit bond. I can't think of the draw funds & account relation property might have accumulated under his supervision & any receipt for the property would be his discharge from liability. Besides according to my plan I report to you monthly what is on hand and the out of exp. When requisitions are presented in the interval of reports you need perhaps to require how much ^{when required} ~~when required~~ of Congress themselves at the account and go through the circumlocution of giving of May Dillard who would have to organize of me. Our communication should be direct. Again if I am confident to conduct such an establishment or proposed I ought to know how to interfere for funds & how to render my accounts.

In Conclusion I ask you to give me a generous support and I will make a report here which shall be a credit to you and me also.

Chap. 5, Book 8.

This is a long letter. General - It is my intention to hope now to stop so much in length any more. I thought the subject required this explanation although you will not weary in getting this it.

Very Respectfully Yours &c

(CONFIDENTIAL.)

Richmond, December 18th, 1861.

DEAR SIR—

I beg leave to state to you that I am a candidate for the position of CHIEF CLERK of the House of Representatives of the permanent Congress. According to all precedent, it is your right to know who I am and what are my claims.

I am a native of Virginia—a graduate of one of her colleges, but have been for the last eighteen years a citizen of Missouri. I am a practicing lawyer—have served in both branches of the Legislature of Missouri, and at the present time am a Senator from St. Louis. But I am now an exile from my home. The Federals knowing that the present Southern men would probably attend the meeting of the Legislature called at Neosho, where Missouri might be voted out of the Union, gave orders for my arrest and of the other Southern members. It would occupy too much time to recite how I effected my escape, while some of my colleagues were arrested—how I eluded the Detective police, and avoided the Federal pickets, House-guards, and “Gamble troops”—how I often had to take to the woods and travel only by night, and how upon an alarm of soldiers approaching, I had to run out of houses at night with pistol in hand. Suffice it, that I perilled life, liberty, property—everything—to unite the fortunes of Missouri with the South. Such is the price is fixed upon my head. I am here now, simply because to go home would be a loss of liberty, and perhaps even worse. Much is the despotism under which we groan.

By nature, I am an office-seeker. My pride has always been, to depend upon myself, and be above the vicissitudes of office-seeking or office-holding. Landing on the shores of Missouri with a wife and only \$30 left, I had, by industry, accumulated enough to live on without much labor in the future. The Federals now have possession of my wife, children and property. If Missouri can not reconquer her liberties, nothing is left me but the hope of heaven. In the mean time, my property is unavailable to me. My family may be permitted to enjoy for a while a part of my accumulations. The helplessness of my wife may appeal to the savage natures of our enemies. But I must get her out of St. Louis as soon as possible; and I am free to say, that in seeking the position of Chief Clerk, my object is to raise means for this purpose.

I have, perhaps, said too much of myself; but I have done so under the advice of several gentlemen whose sense of propriety no one will question. That I am well qualified for the place—that I am a business man, obliging and attentive—aid that I am a gentleman, I respectfully refer you to the Missouri delegation in Congress. Should it comport with your views to promote my election, I shall ever be your debtor, whether I succeed or not.

I beg you will consider this communication confidential. I could have pursued the usual mode of having my claims brought to your attention through the public press, but as our papers constantly pass the enemy's lines, a knowledge communicated to the Federals that I am a candidate before the Confederate Congress, would probably expose my family to the quick vengeance of Gen. Halleck, who has recently ordered Black Republican refugees to be quartered upon the Southern families of St. Louis.

I shall avail myself of the first suitable occasion to make your acquaintance; till then, permit me to subscribe myself,

Your obedient servant,

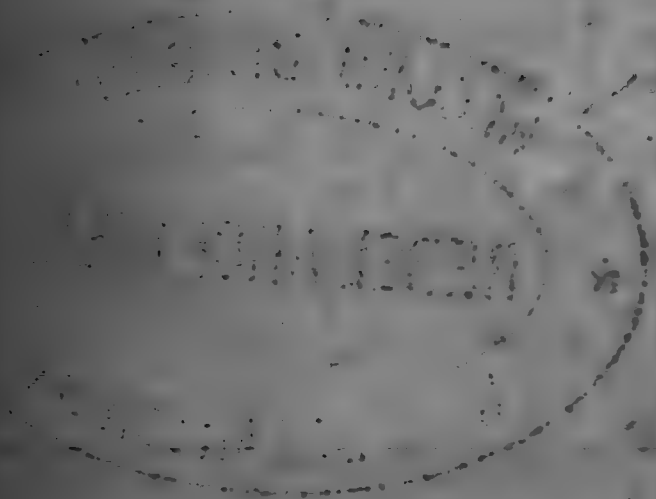

THOS. O. JOHNSON.

Government Transpiration Works.

Calcutta, 21. Dec. 31. 1863

I was appointed Special Off. of the Q. M. Dept. in August & ordered by the Q. M. General to establish a coyn factory in Calcutta. My first intention for funds was only to order after my Lord had been sent forward which first intention was order on 1st Sept 1863. I got my first intimation on the 2nd Nov 1863. In Sept & Oct I was employed in getting up material. I could get as coin from the Government works at the at Silah or Etowah - at the former because so many operations were shared of as otherwise the Q. M. Dept. could only get 1/4 of the proceeds of the Rangy Barran - at Etowah because the garden, has taken the other - a large part off the supplies of Coal. I had things to buy in the Calcutta city. I borrowed £50,000. or from the Bank of India I received a lot of coin in Montgomery. I was bound to have ready money to get some other things we were bound to have such as tools material for putting up buildings &c. Some things I could not buy on credit and many things I lost because I had no money. I recollect that 6000 lbs of which was offered - the only land in the Campdeny - an article I was bound to have. The owner said or I represented that I would I should have it at a certain price - an individual offered a half dollar per pound (more than the lot). So together with necessary articles, I applied to the bank of Calcutta & they gave me authority to draw upon them which I did. I saved this lot of which was buying other necessary things which I otherwise would have got except at exorbitant prices. In the use of many of the kind changed into 1863. 69. I could have well the whole had the next day at 1000.000 people.

My harness shop is in full operation, and by the judgment of all who have ^{seen} the article, I turn out as good if not a better harness than is made in the Confederacy. My stock of new W. Smiths' ~~Chap~~ ^{Dr. J. H. H.} ~~Dr. J. H. H. transportation in this district pronounces them "splendid". All the stock I have yet had was turned over to me by Maj. Drillard. Q. M. at this place. He has a large amount of leather in tin in Tenn. which was to be worked into harness leather, & bring them hither, which would be the evacuation of Chattanooga. Since then he has had no harness leather. But he has just put up a large tan yard at this place - he has a splitting machine and can make just as much harness leather as I wish if you are willing. Indeed he is anxious to supply me. I can increase the capacity of the shop ten fold if I can get leather regularly. I am getting made as good breeches & rings as I ever saw - not so pretty but as substantial. Now you know the army must have harness as well as shoes and as Maj. Drillard & myself are both in the same place, I think I ought to look to him for supplies of leather. Please give this an early answer.~~

Yours, Obedt

In reply to your favor, enclosed by express on my letter of the 13th inst. a bill for harnesses for the State, which I have capacity to make twenty and 7. The average hands will make from 3 to 4 sets two harness per week - equal to from 12 to 16 sets per month - run up about 20 by leather to make one set 2 horned harness 16 by the hand whether two or four horse sets are made twenty hands therefore on the lowest estimate will make $20 \times 12 = 240$ two hundred & forty sets 2 horned harness per mo. and at 20 by leather to the set will cost one (240 \times 20 = 4800) four thousand eight hundred per mo of leather. I may say therefore that I can see about 5000 by leather per mo. If I send only 10 hands I will use just half that amount. As to manufacture harness depends therefore upon the supply of leather. I have a small number of hands now & will go on to the hands according to the stock on hand.

Mr. Drilled has advanced to me up to this time 1400 by the harness leather, 1400 by the for collar & 116 by the for the saddle.

I have sent an Agent to Florida to purchase leather and hides - hope I will get some of both - don't know yet as my agent has not returned.

I will suggest in conclusion with your permission

Office of the Department of the Interior
Washington, D.C. February 10, 1865

Sir,

I have the honor to submit the following report.

I was in my appointment as District Commissioner of the District of Columbia, and in my report to the Commissioner General for assignment to Major D. H. Cameron, R.S.

I was ordered by Major Cameron, on the 10th March 1864, to report to Major W. M. Smithland, R.S. at that place for duty.

— The papers herewith contain a

and performing the duties of District Commissioner at this place by an-
nouncing the tax in kind of all articles of subsistence stored as it is bought
by the planters, and receiving the tax and bacon delivered by the
agricultural details, and am purchasing Commissary in charge of a
District, embracing the Counties of Madison, Logan, Lawrence,
& Washington. Accompanying this is a statement for announcement
report of Subsistence Stores collected to the 24th December.

— The papers marked B

By Sir, I wish to say along the border and being much of it
without any protection, and over-run by the enemy, will require large supplies
of beef, pork & bacon, to serve these supplies money is absolutely
necessary. The farmers and planters of this section have been so often
imposed upon, & now hold so many fraudulent & irregular claims
against the Government for supplies furnished, that it is with difficulty
that they can be induced longer to sell except for cash. The present
prices offered by the Government are generally satisfactory, and I could,
if supplied with funds sufficient, secure for the use of the army,
without resort to imprisonment, very nearly the entire supplies of supplies
in my sub-district.

— Though assigned to duty here on the 19th April last
I could not commence actively the collection of supplies before the 13th
of June according to want of funds money. On the 13th June I

and my first statement of funds, but at no time have I received
any thing like an adequate supply of money and the Chief of this division
is, of course, indubitable, official, has found it impossible to procure
the, energetic & indefatigable, efforts, has found it impossible to procure

It has been my aim under these circumstances to insure the
continuation of a lack of money, by maintaining the credit
of the government & collecting and securing the confidence of the
people, that I have endeavored to do by disbursing as my funds
are received & by allowing no claim to grow too old as to seem
neglected.

This Bureau has proved more successful than I had
anticipated, and I have thus been enabled to purchase
and secure to supplies on credit.

A large amount of supplies on credit for subsistence stores already
a sum of not less than \$450,000 for subsistence stores already
collected, and my accounts are still purchasing.

I have confined myself chiefly in my purchases to the
articles of beef, bacon and pork. From the 13th of June 1864, date
of receipt of first money for the present amount, I have collected

of receipt of first money for the present amount, \$500. Head of Beef, and
somewhat over 2500. Head of Beef. The figures would have been very largely
increased, but for the fact that, within the period named, (between the
15th of June and 1st of August).

my sub-district has been reduced through by large bodies of the enemy
Cavalry, and infantry, and has thus been rendered to draw the supplies
to this difficulty. I have found it impossible to draw the supplies
of beef & pork from the Combs of the period named, (between the
15th of June and 1st of August).

these Combs would have furnished, in consequence of their being out-
-ground from the heavy rains of the past winter, & by the inundation
of the Mississippi river, rendering their swamp impassable and
the collection therefore of stock impracticable.

These difficulties however, I feel assured that had I been furnished
with sufficient funds, my receipts of subsistence stores would have
been fully one hundred per cent larger.

I am paying my employees in accordance with the table of rates furnished
by the Chief Commissary of the State. As approved by the Commissioner
General as follows. If you don't like it, Sub-Agent C. Hicks and
Sub Agents and Clerks for the same. One dollar per diem, allowed for
all of day light (or without) absolutely necessary as much of night as
may be needed to dispatch pressing business.

I accompany this report with a list of employees now in
proper marked "C."

I have no other news to send - My office being
empty except for the business of the day.

In conclusion I deem it necessary to mention as one
among the many attacks with which I have to contend that the
is a universally prevalent feeling that Government property is common
property, and thus whenever Government stock, whether stored in
captured and abandoned by the enemy, is found the citizens seem
to feel no scruple in appropriating the same. These are reclaimed
whenever practicable but in many instances this is impossible.

Acty. A. G. Hicks
Very Respectfully, J. H. Johnson
Capt. A. C. S.

I would respectfully call your attention to the great lack of blank
books and stationery in my department. I have found it
impossible to procure the stationery of good quality necessary for
my correspondence and have now been furnished with a
single blank book for the keeping of my accounts.

Addendum

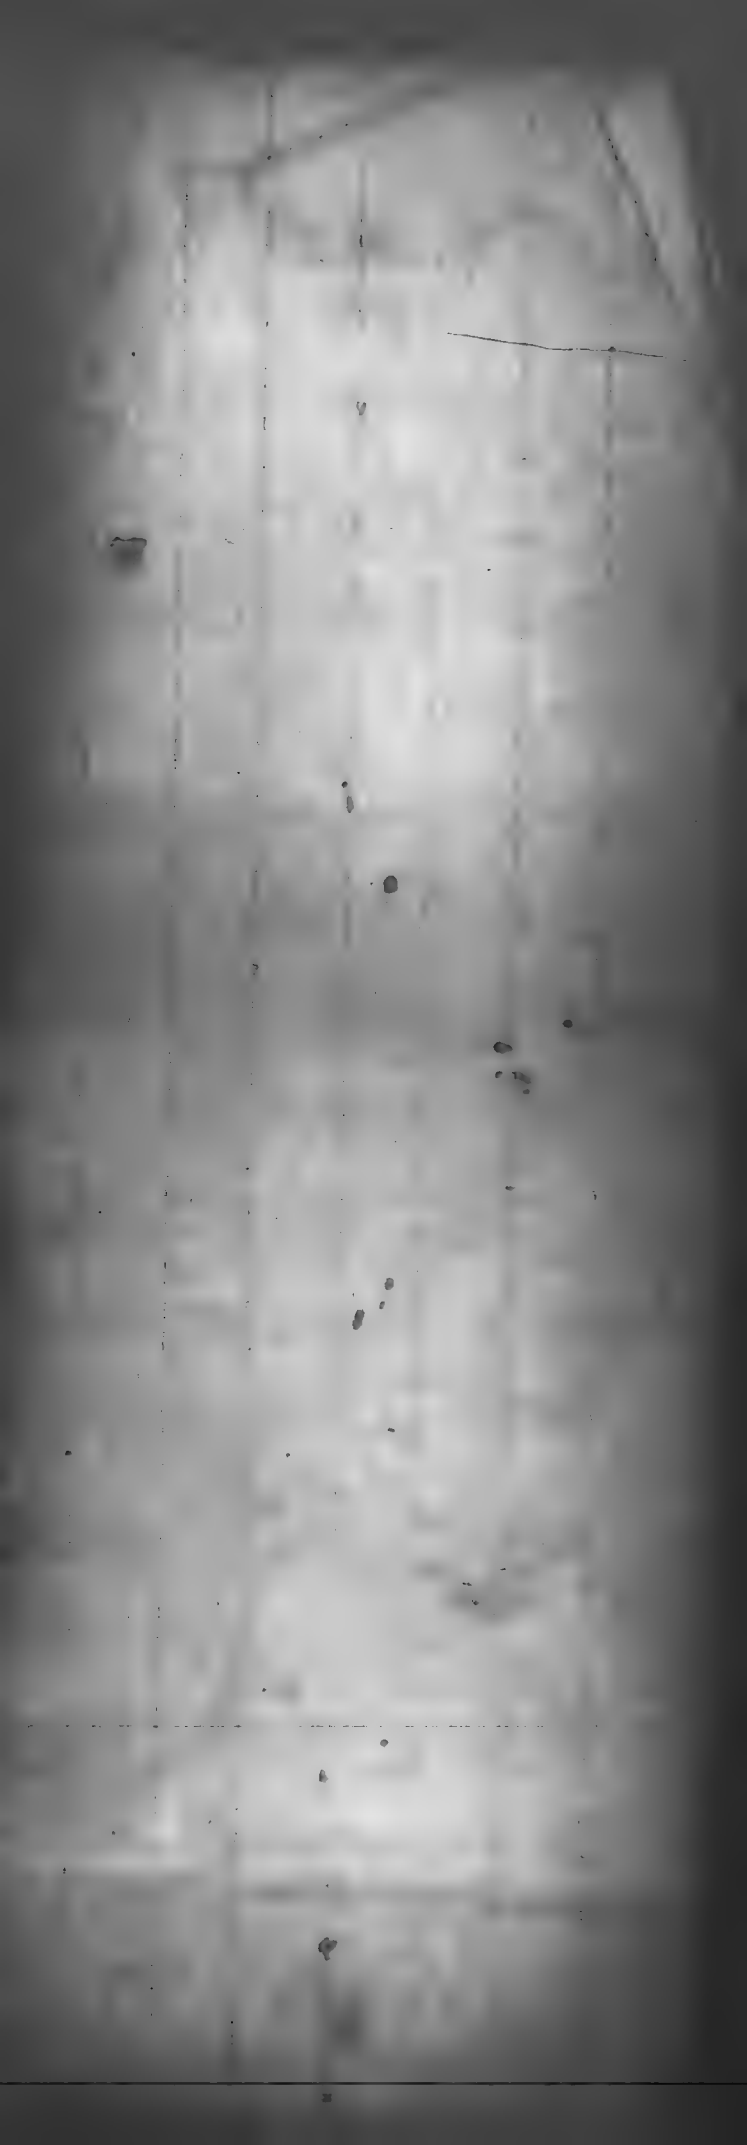

My duties as Post Commissary are generally light,
not being confined to transient soldiers, traveling commands
or Hospitals, frontier guards & to Officers and details
of this post. The average daily issue is about
300 rations. The Post Commissary I am receiving
the purchase of goods in the market in this
place, but there are only a limited quantity
to be prepared for shipment to the Depot Commissary
of the State at Meridian Miss or to other points
where they may be ordered.

Dear Sir

I have rec<sup>d</sup> your  
letter of the 29<sup>th</sup>, and regret  
that I cannot lay my hands  
on the formula to which you  
refer, at this time.

In regard to the tangents, I  
think on the short pieces of the  
American line where you are  
so straightened for a kind of reason,  
it would be best to continue with  
them altogether, and narrow at  
more directly from the curve.

I must afford me great  
pleasure at all times to repeat

my opinion of your qualities as  
an engineer, and your claims,  
founded upon professional and  
moral considerations, is the  
confidence of companies and  
the charge of heavy work.

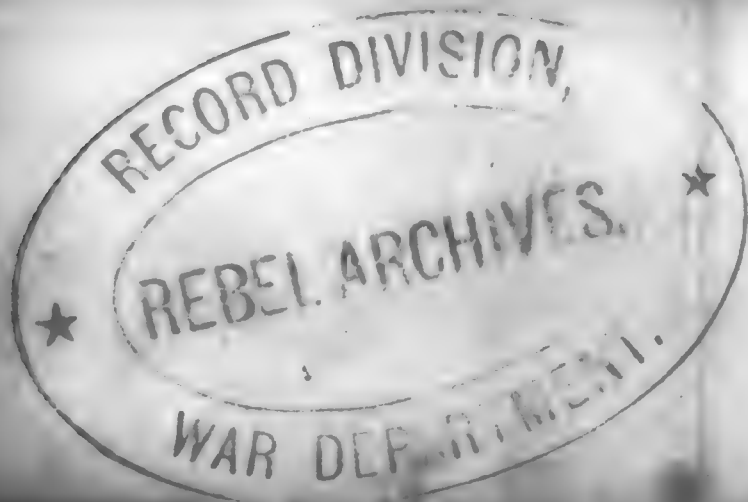

I wish you to refer to me  
whenever my testimony in your  
favor will be of any value to  
you, and in the mean time  
to make me of this letter, as  
an assurance that I have valued  
you, in the four years since I  
became acquainted with you,  
industrious, attentive to all your  
duties, fully competent to the care  
of very heavy works, embracing  
almost the entire routine of rail  
road duties, courteous in your  
intercourse with others, and morally  
reliable.

With my best wishes for your  
success, I remain Dear Sir

Truly yours

Staunton Sept 8<sup>th</sup> 1887

Mr. W. R. Johnson has been connected with this road for more than four years. During that time he has had charge of nine miles of the heaviest portion of our work. It gives me pleasure to say that not the slightest sign of failure is visible on any of the work under his charge. He superintended the excavations of two tunnels one of which was 1300 feet long - there was but one man killed during the progress of the work. I think, when the cost to the Company was very small in comparison with other work of the same description - Mr. Johnson is also very particular in his masonry and has a very fair judgment in construction of this character.

Of his accuracy & integrity in measurements I cannot speak too highly.

his work was of the heaviest character,  
but the monthly progress was very little;  
(his estimates varied), when compared  
with the force employed, very little  
from month to month. I do not remem-  
ber ever having corrected a figure in  
his calculations. I can also say that

I have good ideas of location.  
As to his habits, they are unexception-  
able.

I am sorry to part with Mr. Johnson  
if our work is done, and there is no  
occasion for his further services.

Those who may employ him as an Ad-  
jutant Surgeon will find that I  
cannot speak too highly of him.

Dear Gen

Helena April 24 1862

I have suggested matters to engineers of your company can author-ize me to raise a company of Cavalry for John Morgan's Regiment and if so what assistance you can give me - what arms means &c &c - The recent act of Congress I suppose places all Volunteers &c &c under the control of the President - I am sure as you know have been willing to serve my country - I do not wish to be forced into the field - This is the first time in my life I ever solicited a favor - Our relation is such that I ask it without any sacrifice of pride - I am not ambitious of rank, but admit wish to go into the ranks feeling that I can serve my country more effectively as an officer - Your assistance will be appreciated  
Yours

with alacrity. I will do so cheer-  
fully -

But I'll not wish to stand, (as the orders  
are not yet come to hand) whether they are or  
not, transferring me back to the Army of Tenn.  
merely transferring me from one foolish & foolish de-  
termined to that of another. The facts  
of the construction upon your letter - in my

own mind, there is not a doubt - but that  
you ordered back to the Army of Tennessee - and  
I told him - But he is not satisfied that  
it is the case, and, therefore, it is at his re-  
quest that I proposed the above inquiry -

I believe, Colonel, under a deep  
and lasting sense of gratitude to you for your  
any instance of kindness towards myself, &  
will not soon forget your last effort for  
me, in my behalf, whatever may have  
been, its results -

But, I may say that the many  
manifestations of friendship you have shown  
of late displayed in your behalf I am de-  
termined that you shall not live to regret it -

Very truly & respectfully,  
J. M. Johnson -

It is a great effort -

Atlanta, Knoxville, Chattanooga, Tulla-  
homa and Shelbyville - About  
two hundred of the latter are  
totally unfit for service - the  
balance, with few repairs will  
again be ready for use -

Very Respectfully  
Yours etc etc -

I received word from Mr. Rogers,

has just returned from England, that  
I should apply for a "Board of Examination"  
to grade under the same, that I might

Dear Sir

I am writing through the paper that the Convention, of which you are a member from this State is thoroughly organized I now write you according to my promise, to make known my requests and to which you so kindly offered your service in my behalf. I have not returned from Griffin to which place I was on my way when I had the pleasure of seeing you and forming your acquaintance: I then made known to you my requests at the same stating that I had an appointment given to me in the U. S. Court here by Thomas the And overture of Mr S. B. Walling, U. S. District for the N. E. Dist. This was about the first of last Summer.

Assured you will find this part of our correspondence the tenor of which you may infer very correctly from the same not also has letter to me announcing the first of my appointments which I trust will prove satisfactory to yourself. Your address now to have nothing more to do with it I will not, and have since the disruption of the Union decided not to do so. Georgia is my native birthplace. Ever for time I will follow through moral or social if she falls so will I, if she rises, I trust through to

enough prove of my  
 contribute to his welfare, and I will do so if the  
 opportunity is given me. The cost I have seen  
 the average of an education such as I desire.  
 Well, there are and a large family have provided it.  
 Though I say it proudly, that I have such a

 cultivation, she is a noble and a great woman, and I thank

I will do so.

Dear Sir

I am in receipt of a letter from Mr. Phelps, he desires me to present his compliments to you & say that "the young gentlemen mentioned to Prof. Bache will join my party, if he will be kind enough to join me at Apalachicola, where I will direct the gentlemen also say it affords me pleasure to make the appointment." As I am quite unwell & could not call to see you, I thought best to ask Mr. Phelps to convey my regards, as you may be impatient.

Yours truly

C. L. Le Baron

Let me hear from you about  
it. -

There is no vacancy from  
Honor at either Annapolis,  
or West Point, so that Harkness  
could make no appointment  
for you in exercise to do so.

I will be glad if I can  
serve you, I have stated the  
following facts for your infor-  
mation as to my ability to do  
so. Respt,

*My dear Sir,  
I have the honor to  
acknowledge the receipt of  
your letter of the 17th ult.*

Pensacola Fla  
5 Sept 1856

Wm A Johnson Esq

My Dear Sir,

Your letter of the 17th ult.  
reached me a short time since  
through Mr. Judah, and I reply  
to it with pleasure, with the as-  
surance that I would be glad  
to advance your views if I had  
the power or influence over the sub-  
ject which you suppose to exist.

I will briefly state the  
conditions and circumstances  
which usually control the appoint-  
ments to which you refer, and you  
can then fairly judge of the pros-  
pect of obtaining either. -

Over the appointments to the Military  
& Naval Academies at West Point  
& Annapolis the Senates of the

U. States have no Control  
under existing laws. A cadet  
from each Congressional District  
& Territory is admitted to them  
exclusively, upon the nomination  
of the Member therefrom. But  
apart from these the President  
may appoint ten "at large" to  
West Point; and these ten  
are usually taken from among  
the sons or grand sons of, or  
who have fallen in battle in  
defense of the Country.

Appointments to the Marine  
Corps are apportioned at  
nearly as may be among  
the several States, & Kansas  
always having three, while some  
States have none, the President

has declined to take any  
from our State at this  
time. —

Your name I have already  
placed on file for an ap-  
pointment in this Corps, but  
there is no immediate pros-  
pect of success. —

You speak of the Coast  
Survey, & of this I will now  
say a word. —  
It is not impossible that I  
may obtain for a place  
in this branch of the public  
service, & if I do not I will  
make the attempt. The pay  
to the beginners is very small,  
merely a support; but it  
regularly increases with ex-  
perience, creating efficiency. Please

Providence, R.I.

Your letter duly

Head Qrs Army of Genl.  
Office Chf of Ordnance -  
Oct. 18<sup>th</sup> 1864 -

General - The Governors of Alabama and Florida have offered to furnish the Sely of War with two Companies - one of Cavalry and one of Infantry each - for the defense of the Salt Works upon St. Andrews Bay, but Florida - the Secretary of War has consented to accept these two Companies and, upon their joint application for, has ordered Genl Mayny Comdg at Mobile to furnish a Battery of Artillery, or the same simply, if he cannot furnish the organized Battery - for the same purpose - Being known to the Government of these States personally, and having served in the U.S. Coast Survey before the War, and St. Andrews Bay having come under an sphere of operations, while attached to that Service, therefore knowing that I was an well acquainted with the Bay, its numerous channels and points of defense, they applied to the Sely of War for my services as Command This force at the same time - This accident last summer - the Sely of War consented to assign me to this duty.

About this time, the enemy pressed us hard at Mobile, Atlanta, and Richmond. Genl Mayny could not spare the Battery at that time - for a similar reason, the whole

written has been delayed in like  
manner. The Complainers are  
now organized and ready for their  
war. They have been receptive  
of ideas of war. I am anxious  
to enter upon this duty at once.  
This is the only opportunity I see for  
getting a command and with it  
some chance of promotion. I see  
none so long as I am on staff duty -  
I am not willing for an appointment  
at large. The position is open, and  
the command ready -  
I write to you thus, because you  
are, and always have been, my  
general - the general with whom  
I have served from the beginning of  
the war, with little interruption, up  
to the present time. If I cannot  
ask assistance of you therefore, I can  
do so of no one.

I enclose a copy  
of a letter from duty of war upon the  
subject, which, please, return to me.  
I respectfully await a reply -  
With great respect -

I have the honor to be, Genl,

I am sorry to say, that my application for a furlough, was refused, & that on the very grounds, says the Doctor, on which it should have been granted - that is, it was necessary for the recovery of my health - I am very thin, and there is no flesh at all on my bones - The Doctor says it will be several weeks before I will be able to do duty, as it will take a long time to recover the flesh I have lost - I will therefore be on the sick list for several weeks, doing nothing at all - Col, the very idea of staying here all that time in the Hospital, will kill me, I verily believe - You would do me a lasting favour, if you would be so kind, as to let me at least, spend a part of the time I am on the sick<sup>list</sup>, with my relations in Atlanta - The Doctor says I could go down there & stay a while, as well as here, & that it is likely it would do me good - I would like very much to do so.

if you have no particular objection, Col,  
and moreover, as long as I am on the  
sick-list, I should not think there was  
any impropriety in my going down to  
Atlanta for a few days only, and then  
coming back - I know Col, that it will  
do me good, and you would lay me under  
lasting obligations to yourself by granting  
this little request - Do not think Col, that  
I would make a request that I thought im-  
proper for you to grant - The Doctor thinks  
that it would not matter particularly  
when I was as long as I am on the sick  
list, so that I reported myself for duty as  
soon as I was able -

By-the-By, Col, my Mother told me to say  
to you, that she would not have troubled  
you with a letter & a dispatch, if the Genl  
decision had come in time, but it was delayed  
three or four days, & we only received it yes-  
terday - She hopes you will excuse her for  
troubling you -

For God's sake Col, only say  
that I may go to Atlanta, among my relations  
for a few days, & you will confer a kindness  
never, I assure you, to be forgotten - Please answer  
soon, & oblige Yours with high Respect -

Now this favour  
of 26th unit is received - I could not feel my-  
self justified in applying for a furlough on the  
conditions that it is "absolutely necessary" for the  
recovery of my health - I am now convalescent -  
It is not therefore "absolutely necessary" for me to  
have a furlough, in order to get well - for I have  
not the least doubt, that I would recover here as well  
as elsewhere - I cannot therefore apply for a furlough  
on those grounds, Col, with honor to myself, at this  
stage of my sickness - I scorn from my very soul,  
the contemplation of such an act - It was merely on  
account of <sup>the</sup> irksomeness of this place, & thinking that I  
could spend part of the time of my convalescence elsewhere,  
without detriment to the public service that I applied -  
I am gaining strength slowly - I wish that I were with you,  
but the Dr says I will not be well enough for some time to  
expose myself - When I get well Col will I remain  
here, or go with you - I would much rather be  
with you all the time, for then I will be with Genl.  
Bragg also - If you should conclude to order me  
with you, how will I ever get to you Col?

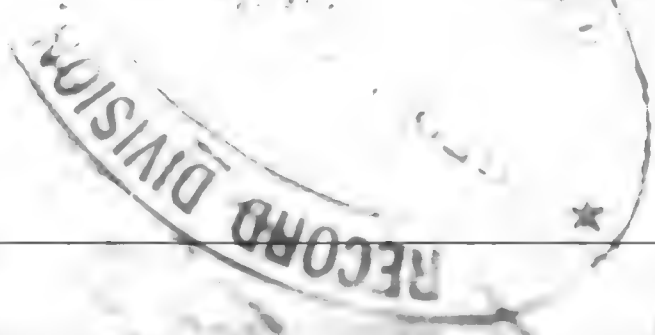

The Quartermaster would not furnish me with a horse without an order - I see that you have also sent your trunk back here - I presume by that, that you can carry no more clothes with you than can be conveniently carried on horseback. I feel lost as if I had been of no service to either my Country or any one else for the last month or two - I am anxious to get well as with you and make up for lost time as well as I fear, the partial loss of your good opinion - I make it a rule, ~~to~~ that it is one of my principal objects always to win the good opinion of my superior Officers by using my utmost endeavor to do my duty faithfully, & to the best of my ability -

Hoping & trusting to be with you soon, I remain Col. with feelings of high regard & respect,

Sir

I beg leave to call your attention to the fact, that after diligent search & enquiry, by Capt Humphries & myself, for buildings suitable for storage of Ordnance & ord. stores, we are unable to find a single one in Chattanooga that is at all fit for the purpose, but what is already occupied by the Hospital, Quartermaster, & Company's Apartments - Capt Humphries requests me to state to you that a portion of the depot occupied by him which you ~~was~~ have, has been taken from him, but that he will have still room sufficient, after filling it with the different kinds of ammunition, to answer for any emergency that may come upon us - On the main line, we would respectfully suggest the propriety of storing the Ordnance <sup>if required</sup> to be shipped from Knoxville, partly at Dalton & partly at Kingsport Ga - the latter place is about half way between Chattanooga & Dalton - At Kingsport, there are two depots, & several other buildings suitable for storage of Ordnance

& Old Store - At Dalton, Capt McManis has a large  
Depot, almost entirely at his service - I believe there  
two places, with a good supply kept by Capt  
Humphreys at Chattanooga, I am convinced that  
Capt Humphreys, in short notice, could, by timely  
regulations in the above mentioned Depots, supply  
us somewhat sufficient for any emergency -

His, I write, at the suggestion of Capt Humphreys,  
the Comdg Officer of Advance at this place, who has  
kindly fully assisted me in the carrying out my  
instructions - Permit me & respectfully to recom-  
mend to your consideration, the above suggestions -  
I also to say to you that Capt Humphreys expresses  
himself anxious to assist you as well as myself,  
to the extent of his ability - Capt Humphreys can  
repair about 150 stands of arms in one week -

I have also been to Dalton & gone to Capt  
McManis the instructions according to your direction,  
I agree to your order he consulted Genl Lee  
as to the number of arms that ought to be repaired  
in his armory in one week - I will tell you  
myself the state of his armory - He has no Ma-  
chinery - Very few machines, & scarcely any tools -  
After Christmas he thinks that he might be able  
to repair nearly one hundred (100) stands of arms  
in a week -

From my own knowledge & from  
experience I stand from other sources, I would  
suggest that some of the arms to be repaired

be sent to Lexington Va - As their works are  
more complete than any other that I know  
of - I think they could repair at least two per  
hundred - and in a week -

Very respectfully,  
Yours opp. servt.

Wm. F. Johnson -  
Capt. 10th Regt.

R.

Capt. Humphreys requests me to state that in  
upon reflection, he can have repaired about 4000  
stand of arms in one month -

Dear Sir,  
I received your communication of the 24th of August last informing me of my appointment up to the chaplaincy of the 1st Regt. Va. Inf. and I am glad to hear of it. I regret to inform you that the state of my health is such that I cannot accept of it. I am, however, at the present time (unfortunately) a member of the one tendency in the ministerial talent of my countrymen (readers and spectators) and I am, I think, also my age, and the strength of the character of Garrison during the winter months; but also I have lately during the winter taken I think through the provision of an excellent diet, the army of Garrison may be able to go with him to sea, but before the close of the winter I am, I think, in my opinion, for non-acceptance.

I am, Sir, as ever, your obedient servant,

But all things considered she bears up

What has become of  
Charles and William Winder. The  
last I heard, both were prisoners;  
Charles released for a few  
days to attend the funeral of

My Dear Sir,  
I see that Congress has passed  
the Conscription. Recommendations by the  
President. Its provisions in detail are  
not yet known to the public. But I  
understand all the officers of the conscript  
army are to be appointed by the Pres.  
I am anxious to procure a Cap. Com-  
mission for my son Winder P. -  
and he is also very desirous. He is  
a good soldier and well qualified.  
He was in the Battle of Manassas  
& all accounts concur that he be-  
haved well. Soon after the battle  
his health failed - was attacked  
with jaundice, which was followed  
by Pneumonia. He was furloughed  
for 30 days; but being still sick,  
at the expiration of the time, he  
asked an extension of his furlough,  
on the certificate of our best phy-  
sician. The extension was refused.

He has been at home ever since:  
his health is restored and he now  
is able to re-enter the service.  
was originally a member of the  
4th Light Infantry, Capt.  
Benton which was one of the first  
from Georgia to enlist for the war.

In former days, I felt at liberty  
to approach the Pres. (while a  
S. Senator & Sec. of War) and  
to ask any favour for a friend.  
But since the formation of our  
Confederacy, I have never felt  
at liberty to harass him by any  
application, even in behalf of  
himself. He is doubtless besieged  
by office seekers ad nauseam.

In addition to this, I feel un-  
speakable delicacy, in asking any  
thing for my son. It occurred to me,  
that standing in the relation which  
exists to the Pres. as an old friend and  
to the Sec. of War, you might  
venture to suggest the name of  
my son, in a way that would

not be unpleasant & yet earn-  
est and impressive. Of course,  
you must exercise your discretion  
& if the service I solicit of you  
cannot be at all unpleasant or  
embarrassing, I beg you to feel  
entirely free to let the matter have  
the go by. I am very solicitous on  
the subject but being entirely out  
of politics & having no acquaintance  
with the Sec. of War, I do not know  
how to proceed to accomplish any  
thing for my son. In addition to  
all this I may say, that not being  
in favour of secession, when that  
issue was before us, I am entirely  
orthodox and feel impressed with  
the conviction, that my voice  
is not better than a mute's,  
relative to any matter touching  
the public weal. Of this however, I  
do not complain & with it, I am  
content.

In Dec. last we lost our eldest  
son - a man full of talent, energy  
and hope. This makes a sad

Hon. George B. Randolph  
Sec. of War

Dear Sir I

write you in behalf a young  
friend of mine Wm. P.  
Johnson son of Hon. Herschel  
V. Johnson of this State - He  
is about twenty three years of age  
I think - a young gentleman  
of talents & promise - He joined  
the 9th Ga. Regiment as a private  
though he was at the time  
attorney General of the State -  
He was with that Regiment  
in the fight at Manassas on  
the 20th July last when he  
won such well deserved distinc-  
tion for his gallantry & bravery -

He continued with the Regiment  
until his health failed last  
fall & he was discharged  
in consequence. He has  
now recovered and desires  
some official position. I  
cannot say I think he  
deserves it. His services as  
well as his talents entitle  
him to it if you have  
any position you can assign  
him from Captain down.  
He wishes to go into the  
service again but not as  
a private. I do not know  
what suitable positions you  
may have at your disposal  
for him but I shall gladly  
apply for him for one  
if you can better it. His

next officer is Barton, named for  
the late Regiment. For his sake  
and in consideration of his  
high and honorable position  
in the State attained at so early  
a period in his life I earnestly  
request a favorable consider-  
ation of his application -

Yours Truly

Dear Sir,

Mr P. Johnston, son of the Hon Kershaw

advocate. I would respectfully ask your favorable considera-  
tion, for the application. I have but little personal acquaintance  
with Mr. Johnston, but I am informed, by those in whom I  
have great confidence, that he is talented & for his age a  
lawyer of standing, having been at very early age the attorney  
Gen of the State of Georgia, & from what I am of him I have  
no doubt, would be well qualified for the office he seeks

Sir

Wm. de V. Johnson Esq. Sec. of War.  
Albany N. Y. No. 100, is a man of the highest  
sense of honor, fine talents & education, and  
properly legal attainments attested by the  
fact that he was Attorney Genl. for that State.  
He is also known as a private in the 69th Regt. of  
Infantry, & is one of the very prominent &  
ablest men, services as such regt. in 1861,  
and was distinguished by his gallantry at the  
battle of Manassas in the 21<sup>st</sup> July 1861.  
I most earnestly recommend him for the position  
of Judge Advocate to some one of the military  
comd. in the field as a position. Not only  
is he perfectly clear in his mind & eminently  
qualified to fulfill his duties, but I think  
it due to his patriotic father whose name  
as a patriot & a citizen never in Georgia  
is forgotten but largely to sustain the  
spirit of the people.

Mr. President,

I have just learned that  
Brady J. Johnston, one of the  
members of the Military Comtee in  
this end, has been ordered to  
leave this. My son Cap. Bricker  
has just advised me that he has  
been to the headquarters of the  
organization. He is now the  
commander of the Comtee, with the  
Rank of Cap. of Cavalry. He has  
been in command of the  
organization of the  
new army furnished  
to its duties. He was among  
the early volunteers from Geo.,  
a private, in the Oglethorpe  
light infantry, Cap. Bartow,  
serving, for that purpose, the  
cause of the South.

latter And soon afterwards was  
discharged from Service on ac-  
count of broken down health.

Concerning these things not  
in way of making out a  
case, but as simple justice  
demands, as worthy of consider-  
ation.

Occupying the position  
in the Army of the Republic

in his behalf. But I can  
not feel a cheap solicitude  
for his success And at the  
hazards of good taste & propri-  
ety, I thought you would  
be in a father's solicitude,

if I should venture to  
say how deeply gratified  
I should be, if you  
should deem it compatible  
with the public service & im-  
ports to appoint my son to  
Col. Johnson's vacancy, on  
the Military Board. I  
think it does not hinder effec-  
tually either of my be-

I remain faithfully

Dear Sir,

I understand that one

ment of my son, Cap. Winand P. Johnson to

that Court, having been recently transferred  
from the Court, in Richmond. He is a lawyer

advocate, for two years, with great fidelity and is  
therefore, familiar with the duties of the Court.  
He was among the first to volunteer, in the beginning
